Re: Hart v. United States, No. 05-5902-Misc. (EJL) (MHW)

Dear Phil:

I am enclosing the records sent to me by the Idaho Independent Bank. Please review them and determine which records, if any, identify the purchasers of your book. As with the last set of records, return them to me with your notes, and I will redact the appropriate documents and forward them to the Department of Justice.

Please feel free to call me with any questions. Good luck on Tuesday!

Very truly yours,

Michael E. Rosman
